

# Client Tech Support Cover Letter

5816 Kiesha FreewayMarquardtMouth, DE 71391-0580

**Dear Riley Williamson,**

I am excited to be applying for the position of client tech support. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for support for a far-ranging list of technologies including Linux, Microsoft Windows, and macOS, G Suite including Gmail, Calendar, and Drive, BlueJeans Meetings, desk phones, mobile devices, WIFI, etc.

Please consider my qualifications and experience:

- Previous computer program troubleshooting experience
- Able to work under pressure and in teams
- Advanced studies in computer technologies or Technician title
- Able to reply and comprehend emails
- Understanding the need to deliver on commitments without errors consistently with an understanding of how critical project completion is to client satisfaction
- Service Now tool knowledge
- Experience as a client Tech support, Customer support
- Customer experience, experience working with tickets systems

**I really appreciate you taking the time to review my application for the position of client tech support.**

Sincerely,

Campbell Cummerata
