

Clinical Appeals Reviewer Cover Letter

20046 Gidget RidgeArmandinafurt, NY 66633-2407

Dear Skyler Veum,

I am excited to be applying for the position of clinical appeals reviewer. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for second-level review of coding performances to ensure documentation reflects the level of service rendered to patients in complete, accurate and compliant with the regulations of the Center for Medicare and Medicaid Services and to ensure optimal reimbursements while adhering to regulations prohibiting unbundling and other questionable practices.

My experience is an excellent fit for the list of requirements in this job:

- Leverage internal computer systems to obtain information or keep others informed about appeal or grievance status
- Investigates, reviews, and provides clinical and / or coding expertise in review of post - service, pre - payment or post payment claims, which requires interpretation of state and federal mandates, billing practices / patterns, applicable benefit language, medical and reimbursement policies, coding requirements and consideration of relevant clinical information on claims with overt billing patterns and make pay / deny or payment recommendation decisions based on findings

Thank you for your time and consideration.

Sincerely,

Landry Hodkiewicz
