

Clinical Faculty Cover Letter

331 Nella Villages Breitenbergborough, VT 98785

Dear Sam Willms,

In response to your job posting for clinical faculty, I am including this letter and my resume for your review.

Previously, I was responsible for on-going assessment and direction for clinical and simulation to support excellence in clinical and simulation learning for Chamberlain students.

Please consider my experience and qualifications for this position:

- BS in Nursing, M.S
- Knowledge of curriculum planning
- Knowledge of the American Association of Respiratory Care credentialing process and procedures
- Knowledge of CoARC standards and policies for program accreditation
- Skills in the instruction of lectures and laboratory courses
- Current Michigan PA license or eligible to obtain
- Preferred experience as faculty member in a PA program
- Or - Enrolled in a Bachelor Completion Program with a course in methodology concepts

I really appreciate you taking the time to review my application for the position of clinical faculty.

Sincerely,

Lennox Hansen
