

Clinical Faculty Cover Letter

4945 Barrows Mountain Gutmannhaven, VT 87292-0113

Dear Denver Stoltenberg,

I submit this application to express my sincere interest in the clinical faculty position.

Previously, I was responsible for management of the Sim Man project, including designated liaison to Massasoit, development of clinical scenarios, active participation in Department of Higher Education activities around simulation technology and enhancing the clinical practice of Sinai staff using simulation learning techniques (e).

My experience is an excellent fit for the list of requirements in this job:

- Georgia PT License
- Experience with Acadaware software
- Experience working in Clinical Education Administration in a DPT academic program
- Knowledgeable of teacher education and online teaching and learning
- Understanding of professional and scholarly collaboration within diverse and interdisciplinary contexts
- Demonstrated experience in all aspects of faculty salary administration to include salary scale structure, faculty salary components, benefits, compensation, and payroll administration for all levels of academic personnel
- Demonstrated strong organization, analytical, and problem-solving skills
- Superior interpersonal skills to be effective in communicating and interacting with all levels of the organization (i.e., university and department), including academics, managers, staff and students

Thank you for your time and consideration.

Sincerely,

Rory Hartmann
