

Clinical Research Associate Cover Letter

87713 Schaden ManorsLake Haywood, OR 72336

Dear Jordan Rau,

I would like to submit my application for the clinical research associate opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for clinical trials regulatory support through the NINDS Clinical Trials Unit (CTU) for the NINDS Intramural Research Program, including specific assigned groups.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Technical proficiency in rat and mouse dosing by various routes (IV, IP, SC, PO) during the conduct of in vivo studies
- Technical proficiency in necropsy and tissue collection procedures in rats and mice
- Technical proficiency in blood sample collection by various methods in rats and mice as part of the conduct of in vivo studies
- Technical proficiency in measuring subcutaneous tumor growth
- Extensive knowledge and experience in the conduct of mouse and rat pharmacokinetic studies
- Possess a broad-base of skills in support of in vivo biomedical testing, including proficiency in animal dosing and sample collection by various routes and/or methods
- Knowledge of various syngeneic and xenograft tumor models
- Prior experience with specimen processing

Thank you for your time and consideration.

Sincerely,

Briar Kulas
