

Clinical Research Associate Cover Letter

92357 Kristofer BurgsNew Wallyburgh, RI 19326

Dear Cameron Doyle,

I would like to submit my application for the clinical research associate opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for ongoing clinical trial monitoring support to the clinical research physician for clinical trials including but not limited to assessment of eligibility criteria, toxicity management, and drug safety surveillance.

Please consider my experience and qualifications for this position:

- Demonstrates problem solving skills Demonstrates leadership skills, self-motivated and adaptable to a dynamic environment
- Proficient with Sharepoint with filing systems is desirable
- Have prior experience with EDC and an excellent understanding of clinical data flow
- Proficiency in Microsoft Word and Excel, and Clinical Trial Management Systems
- Knowledge of the Australia/ NZ site and regulatory environment is beneficial
- Experience as a research coordinator conducting industry sponsored clinical trials preferred
- Experienced working on multiple oncology clinical trials preferred
- In-depth knowledge of FDA regulations and ICH GCPs

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Armani Quitzon
