

# Clinical Research Associate Cover Letter

1456 Leta PassSchmidtmouth, RI 13943-5858

**Dear Justice Bradtke,**

Please consider me for the clinical research associate opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for support to the Clinical Research Supervisor in the oversight of multiple clinical trials.

Please consider my qualifications and experience:

- BA/BS in a Health Sciences discipline
- Medium or above level of English skill
- Bachelor in Biology
- A background as a CRA, ideally within late phase studies but not essential
- Strong knowledge of ICH/GCP guidelines and/or other relevant guidelines (GEP, GPP) and local requirements (including regulatory)
- Proficiency with computer/software systems
- Fluency in both written and spoken English and Dutch
- Fluency in French as an added benefit but not essential

**I really appreciate you taking the time to review my application for the position of clinical research associate.**

Sincerely,

Corey Bergstrom
