

Clinical Research Coordinator Cover Letter

7271 Rheba Coves South Fredricfurt, NE 50755

Dear Bellamy Littel,

I would like to submit my application for the clinical research coordinator opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for instruction on research protocols including interpretation of test results, observations, and related study data to physicians, nurses, professors, teachers, and technician involved.

Please consider my qualifications and experience:

- Experience with clinical trials, statistics and/or data management
- Knowledge of clinical research in gastrointestinal oncology
- Statistics background and experience working with statistical tools such as Access, SPSS and/or Stata
- Previous clinical trials experience (including knowledge of IRB policies and procedures)
- Previous experience with data entry under HIPAA standards and regulations
- BA or BS in biological sciences or related field, or RN or if an Intern a student in one of these areas
- Work experience in life science or medically related field
- Awareness and working knowledge of applicable clinical research regulatory requirements , good clinical practice (GCP) and International Conference on Harmonisation (ICH) guidelines preferred

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Brooklyn Stark
