

Clinical Reviewer Cover Letter

23490 Lupe ForkPort Wiley, AZ 32317-9413

Dear Rory Rohan,

I submit this application to express my sincere interest in the clinical reviewer position.

Previously, I was responsible for supervision and collaborative oversight for CCS Practitioners who provide CCS Practitioner Services in the Service Area, consistent with the Collaborative Practice Agreements and any applicable Protocols, and in accordance with applicable state and federal law;.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Reviews, processes, and audits medical necessity
- Current, unrestricted FL Registered Nurse license
- Working knowledge of computers and programs such as internet search engines, Outlook, and Microsoft Office suite
- Thorough understanding of the drug development process, knowledge of ICH Guidelines and GCP including a basic understanding of regulatory requirements in other countries
- Depending on business need
- General knowledge of clinical trial processes and/or experience working with clinical data
- Familiarity with Microsoft Excel preferred
- LPN state license and registration preferred

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Royal Runolfsdottir
