

# Clinical Reviewer Cover Letter

26224 Kelley CrossingBoyletown, NH 40892-2331

**Dear Haven Paucek,**

I am excited to be applying for the position of clinical reviewer. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for real-time oversight of USAMRMC-supported research protocols through timely documented reviews of protocol lifecycle actions to assure ongoing compliance with all applicable Federal, DoD, DA, state, host nation, and USAMRMC HSP regulatory requirements.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Expertise in Human Subjects research
- Current RN license or CPT Coding Certification
- Beginner level in Microsoft Office
- Previous Microsoft Access experience
- Oxford Claims experience
- Current unrestricted PA Practical Nurse license or PA Registered Nurse license
- Valid State ofMassachusettsRegistered Nurse
- Clinical knowledge of assigned clinical conditions and physiological systems to discern the impact of specific indicators on outcomes and to identify potential gaps in clinical care processes

**Thank you for your time and consideration.**

Sincerely,

Denver Watsica
