

# Clinical Reviewer Cover Letter

8097 Sparkle SpringsFayton, SD 85580

**Dear Gray Satterfield,**

Please consider me for the clinical reviewer opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for leadership to the Prior Authorization program and review Prior Authorization requests, including gathering medical information, making coverage decisions, and communicating with patients, physicians or pharmacists as required.

Please consider my experience and qualifications for this position:

- Utilization Management experience with Medicare Part D
- Unrestricted current and valid license to practice pharmacy in the state of Massachusetts and/or in any other relevant/applicable state
- Experience in direct supervision of technical support staff for clinical and/or service and operational programs is desirable
- RN from an accredited school of nursing
- Well organized with a sense of urgency and responsibility for project and time management
- Necessary to have efficient competency to complete assigned projects on time and follow through with supervisor when necessary
- Good transferable project experience across phases I - III drug development
- Experience managing and interpreting the results of clinical trials

**I really appreciate you taking the time to review my application for the position of clinical reviewer.**

Sincerely,

Denver Schmitt
