**Dear River McGlynn,**

In response to your job posting for clinical reviewer, I am including this letter and my resume for your review.

Previously, I was responsible for guidance to laboratory staff as required by applicable state and federal regulations.

Please consider my qualifications and experience:

- Experience being on a data review team is desirable focusing on good communication, passion for customers and working collaboratively
- Solid clinical knowledge in Behavioral Health
- CCM, CPUR, CPUM or other applicable certification(s) desirable
- Current CT license
- Successfully completes the SCR training program
- Attain Certification upon eligibility
- Clinical knowledge and understanding of patient care related to data collection and identification of areas for quality improvement
- Experience gathering information in a complex hospital system environment

**Thank you for your time and consideration.**

Sincerely,

Bellamy Bergstrom
