

# Clinical Reviewer Cover Letter

2421 Meredith BurgsErwinfort, TN 91045-7570

**Dear Parker Sipes,**

Please consider me for the clinical reviewer opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for for (1) cost-effective use of patient care resources and case delivery at the most appropriate level; (2) collaboration with the medical staff on resource utilization issues; and (3) compliance with, public program contracts and applicable federal and state regulatory mandates.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Previous Clinical chart review and abstraction experience preferred
- RN licensed preferred
- Pediatrics or Emergency Room settings preferred
- Complies with Network and departmental policies regarding issues of employee, patient and environmental safety and follow appropriate reporting requirements
- Working knowledge of Cardiovascular nursing standards and best practices
- Knowledge of surgical processes and terminology
- Strong understanding of clinical care of Cardiovascular patients\*
- Understands performance improvement techniques and is able to implement tools to achieve improvements\*

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Gray Kutch
