

# Clinical Supplies Cover Letter

167 Isis FlatKutchview, NJ 67284

**Dear Quinn Welch,**

I would like to submit my application for the clinical supplies opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for leadership, training and coordination to matrix project team members that may include Clinical Research Associates, Clinical Trial Associates, vendors, contractors and consultants as required by the project.

My experience is an excellent fit for the list of requirements in this job:

- Familiar with protocol interpretation and packaging and labeling design
- Familiar with cGMP, GCP, and ICH knowledge and experience essential
- Skilled in bid preparation and defense
- Drug formulation
- Bulk drug manufacturing practices
- Basic understanding of import/export documentation requirements
- Competent in the application of standard business requirements (for example SOPs, Global Regulations)
- Understanding the importance of compliance in a regulated environment and be capable of applying this knowledge to daily work

**Thank you for taking your time to review my application.**

Sincerely,

Justice Bailey
