

Clinical Support Specialist Cover Letter

653 Harvey Lakes West Rashad, AR 96136

Dear Skyler McLaughlin,

Please consider me for the clinical support specialist opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for instructor-led training for Home Health and Hospice staff on electronic health record (EHR) functionality and workflows, which support the successful adoption of clinical information systems into the patient care process.

Please consider my qualifications and experience:

- Prior experience in content creation and delivery is preferred
- Registered nurse, respiratory physiotherapist, respiratory physiologist/technologist
- Clinical experience of Non Invasive and Life Support Ventilation
- Experience in a sales or clinical role in Healthcare or B2B environment
- CRB checked (DBS)
- Graduation from a high school or equivalent
- Fluent in French and Flemish
- Strong clinical expertise in Oncology/Hepatology preferred

Thank you for your time and consideration.

Sincerely,

Phoenix Abshire
