

Clinical Support Specialist Cover Letter

964 Toy PrairieDylanton, AZ 91642

Dear Indigo Lemke,

Please consider me for the clinical support specialist opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for direct support to clinical users of EHR and promote adoption of new or changed workflows amongst clinical users.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Serve as a resource to customers and other departments
- Tertiary education in the field of (para)medical, (bio)technical/(bio)engineer
- English (spoken & written) mandatory French & German advantageous
- Medical device sales within cardiac surgery, interventional cardiology or endovascular surgery
- MBA or graduate degree preferred
- Clinical trial experience within medical device space is a bonus
- Knowledge of adult education and communication principles and practices
- Composed under stress

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Rowan Goyette
