

# Clinical Support Specialist Cover Letter

2670 Tonja Mission North Shondra  
Borough, MD 05552-9063

**Dear Bellamy Gerlach,**

In response to your job posting for clinical support specialist, I am including this letter and my resume for your review.

Previously, I was responsible for training, supervision and support for assigned staff and evaluates clinical appropriateness of treatment using professional knowledge within Clinical Policy and Procedures and benefit requirements.

Please consider my qualifications and experience:

- BS in Biological sciences, or related field
- CNIM certified
- Effective time management and organizational skills, strong communication skills
- Action oriented, Functional/technical skills, Interpersonal skills, Organizational skills, Analytical skills, Time management, and Written communications
- Consultative approach, with good influencing and communication skills
- Very good presentation and training skills
- Readiness for extensive travelling (experienced driver)
- Experience in Oncology information systems and EMR

**Thank you for your time and consideration.**

Sincerely,

Greer Oberbrunner
