

Clinical Support Specialist Cover Letter

32187 Tillman VistaWunschfort, KS 50923

Dear Tatum Lesch,

In response to your job posting for clinical support specialist, I am including this letter and my resume for your review.

In my previous role, I was responsible for clinical support to Implementation team by providing clinical expertise to identify requirements and coordinate implementation of clinical services for new and/or migrating clients.

Please consider my experience and qualifications for this position:

- Advanced knowledge and understanding of nursing and/or medical principles, methods, and procedures
- Working knowledge of conflict resolution and mediation principles and techniques
- Facility with the Academic Management Platform and Clinical Activity Tracking System
- Interest and motivation to develop in the field of healthcare information technology and system support
- Experience with Microsoft Office suite including MS Outlook, Word, Excel, and Power Point
- Composed under stress
- Familiarity with commercial treatment planning systems (TPS) and beam modelling process
- Familiarity with reading and understanding clinical trial protocols

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Tatum Romaguera
