

Clinical Trial Associate Cover Letter

78551 Maggio Walk East Ninkichester, DE 74696-4618

Dear Rowan Schaefer,

In response to your job posting for clinical trial associate, I am including this letter and my resume for your review.

In the previous role, I was responsible for medical and scientific expertise to BMS colleagues in drug discovery, labeling, regulatory, outcomes research, and marketing/commercial departments.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience with multinational integration activities is preferred
- Ensures review, presentation and approval of initial budget
- Has a direct supervisory responsibility for CTM staff
- Previous experience in clinical trial management or equivalent is preferred
- Relevant industry certifications is preferred (i.e., CCRA, RAC, CDE)
- Teamwork, organizational, interpersonal, and problem solving skills
- Drug development knowledge and/or knowledge of multiple therapeutic areas preferred
- Good understanding of global regulatory and compliance requirements for clinical research, including but not limited to US Code of Federal Regulations, EU CTD ICH GCP, and good pharmacoepidemiology practice (GPP)

Thank you for taking your time to review my application.

Sincerely,

Max Moore
