

# Cloud Expert Cover Letter

766 Jamey UnionSchummburg, HI 23034-8664

**Dear Dylan Wolff,**

In response to your job posting for cloud expert, I am including this letter and my resume for your review.

In the previous role, I was responsible for expertise of existing business processes / SAP solutions in legacy systems (where applicable).

Please consider my qualifications and experience:

- Pivotal HD
- Spring XD
- Proficiency working with Unix / Linux environments, including experience in Linux as sysadmin – Mandatory
- Good knowledge in networking concepts (e.g routing, IPv4...) – Mandatory
- Experience in setting, managing and working in Cloud Foundry environment
- Knowledge and concrete experience in contributing to open-source products & processes with the will to adopt, use and contribute to them rather than to reinvent solutions – An advantage
- Experienced and strongly convinced with Test-Driven-Development and continuous integration & delivery
- Knowledge in using Git

**Thank you for your time and consideration.**

Sincerely,

Dylan Shanahan
