Cloud Expert Cover Letter

705 Stark RampBodefurt, NM 61057

Dear Quinn Berge,

I would like to submit my application for the cloud expert opening. Please accept this letter and the attached resume.

Previously, I was responsible for sAP/Vistex technical expertise and business process understanding on SAP's SD module to support complex pricing and rebate processes.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience with large-scale software development using Java and/or ABAP, ideally both
- Openness to focus on cloud qualities such as ease of consumption and robust operations
- Able to translate business requirements into practical software solutions
- Eager to learn about the principles, processes, software applications in the area of financial consolidation
- Knowledge in sales and sales processes
- Proven knowledge of fundamental web technologies, like SOAP, XML, REST, OData is necessary
- Proven track record to thoroughly handle the work scope of a senior/expert developer
- Bachelor or equivalent is a minimum requirement, Master or equivalent preferred

Thank you for taking your time to review my application.

Sincerely,

Story Adams
