

Cloud Solution Cover Letter

63747 Sanford RoadsLake Benjamin, MO 45327-5102

Dear Shiloh Leuschke,

I would like to submit my application for the cloud solution opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for technical input on Public, Private and Hybrid Cloud pre-sales opportunities in consultation with the Sales Team.

My experience is an excellent fit for the list of requirements in this job:

- Expert level core Windows infrastructure skills
- Expert knowledge of Active Directory and other Microsoft identity management technologies, such as Active Directory Federation Services and Forefront Identity Manager
- Strong knowledge of on premise and cloud based identity technologies including Forefront Identity Manager, ADFS, Azure AD Sync, Azure Active Directory and Azure Active Directory Premium
- Strong knowledge with virtualization technologies, preferably including some experience with Hyper-V and System Centre Virtual Machine Manager
- Experience with Systems Centre Orchestrator and System Centre Operations Manager
- Experience with some of the other System Centre product suite such as Data Protection Manager and SCCM
- Strong knowledge of supporting infrastructure including
- Desirable to have a good working knowledge of at least two of the following

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Azariah Weissnat
