Dear Azariah Wilkinson,

I am excited to be applying for the position of coach agile. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for transparency to stakeholders regarding the progress of adoption of Agile & DevOps principles and practices.

Please consider my experience and qualifications for this position:

- Hands on experience in the practices of Test-Driven Design (TDD), refactoring, and continuous integration using programming languages
- Certifications in agile and iterative project methodologies (Lean, Kanban, Agile, Scrum)
- Agile Expert
- Working knowledge of Agile Framework (Manifesto, 12 Principles of Agile, etc)
- Working knowledge of Agile Methods (at least
- Successful run Agile Projects in the past
- Working knowledge of non-Agile Methods and how to integrate them with Agile Framework
- Working Knowledge of SAFe or SAFe-like Framework for Large Organizations

Thank you for considering me to become a member of your team.

Sincerely,

Gray Kris
