

# Coach Agile Cover Letter

8867 Numbers RidgePowlowskimouth, WA 47241

**Dear Jordan Lind,**

I would like to submit my application for the coach agile opening. Please accept this letter and the attached resume.

Previously, I was responsible for agile coaching to multiple teams on all aspects of Agile Software development with a strong focus on Scrum practices and Scaled Agile practices.

My experience is an excellent fit for the list of requirements in this job:

- Experience implementing Scrub, Kanban, XP, and SAFe practices
- SAFe Program Consultant (SPC) or Certified Scrum Professional (CSP) preferred
- Provide subject-matter expertise and coach teams around the principles, practices, of Lean and help build an Agile mindset and culture within teams
- Participate in establishing a roadmap for the Agile transformation along with the sponsors and driving its implementation across multiple teams
- Facilitate estimation and planning, daily progress, customer reviews, demos and retrospective sessions with teams
- Guide the team in their continuous improvement journey using the relevant metrics such as WIP, Cycle time, Throughput
- Coach the teams around specific methodologies that include Agile Chartering, Story Mapping, Persona creation, Value Stream Mapping, Release Planning, Impact Mapping
- Conduct sessions with teams around Agile Overview, Processes and Practices, writing user stories

**I really appreciate you taking the time to review my application for the position of coach agile.**

Sincerely,
