

Coach Agile Cover Letter

215 Kunde RueSouth Lemuelstad, NE 03630-1095

Dear Haven Gibson,

Please consider me for the coach agile opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for leadership in creating an environment of innovation and continuous improvement to facilitate scaling common agile practices, metrics and tools across agile teams.

My experience is an excellent fit for the list of requirements in this job:

- Open to work on assignment model
- Demonstrated experience coaching at BOTH team-level (not just classroom training) AND Coaching Managers across orgs of at least 200+ people (the bigger the org, the better)
- Loves to transform teams, mindsets and spark Agile enlightenment in people so they become change agents
- Has an appetite to continuously evolve and improve, to tackle difficult problems and seeks/gives constant feedback
- Deep understanding of Agile with hands-on experience in Scrum, Kanban and other methodologies
- Experience working with business stakeholders to influence an agile mindset and business agility methodologies/techniques
- Flexibility of finding the balance between agile purism and adaptive delivery based on culture
- Master at group dynamics and communications, regardless of the audience and determined to ensure that every voice is heard and heeded

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,
