

Coach Agile Cover Letter

357 Luigi SpurBahringerbury, HI 24078-4829

Dear Ryan Boehm,

In response to your job posting for coach agile, I am including this letter and my resume for your review.

In my previous role, I was responsible for program and team level coaching of department / program teams on Agile practices, principles, roles, artifacts, and mechanics.

Please consider my qualifications and experience:

- Experience participating in an agile transformation as an internal/external coach at team level, project/portfolio
- Agile coach who is experience and has experience with senior level management implementing an agile environment
- Communicate the value of Agile development principles and methodologies to development teams and management
- Establish and monitor Agile adoption and effectiveness metrics
- Prepare and deliver training sessions and materials to audiences ranging from individual developers to executive management
- Mentor product owners on effective backlog management techniques
- Periodically serve as ScrumMaster for teams that are learning this role
- Participate as Agile subject matter expert in long-range product planning and other contexts

Thank you for taking your time to review my application.

Sincerely,

Riley Feeney
