

# Cognos Administrator Cover Letter

38637 Jenkins GreenCiarahaven, OR 09553-6020

**Dear Zion Kautzer,**

I am excited to be applying for the position of cognos administrator. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for system administration support for Deltek Costpoint 7, Time & Expense 9, GovWin 7.5, and Cognos 10.2 Business Intelligence to include application updates, upgrades and backups.

My experience is an excellent fit for the list of requirements in this job:

- Experience with Cognos User LDAP/Active Directory Integration/Synchronization
- Experience JavaScript/Java application development
- Able to troubleshoot web applications shell Scripting SQL coding BI (MSTR / Cognos, Tableau.)
- Understand the following concepts Authorization (LDAP, AD) Authentication (AD groups)
- Strong customer focus with skills to determine business requirements and uncover unmet internal / external customer needs
- Preferred experience applying patches/ troubleshooting issues
- Intermediate Other Proficient in MS Office including Word, Excel
- Preferred Other Additional certifications in network or systems design, implementation, or diagnostics or in any of the following areas are preferred oInternet Technologies and Routing

**Thank you for taking your time to review my application.**

Sincerely,

Hayden Romaguera
