

# ColdFusion Developer Cover Letter

733 Ollie Crescent  
O'Konport, NV 39420

**Dear Ari Considine,**

In response to your job posting for coldfusion developer, I am including this letter and my resume for your review.

In my previous role, I was responsible for section 508 compliant deliverables or compliant alternate versions.

Please consider my experience and qualifications for this position:

- Experience with MS SQL Server database tools such as SSMS
- We offer competitive benefits and learning and development opportunities.- We are mission-oriented and ever vigilant in aligning our solutions with the nation's highest priorities
- Knowledge/experience with ColdFusion application development
- Knowledge of HTML, CSS, JavaScript, JQuery and Ajax
- The upgrade will enable package-level 1Z costing to support pricing initiatives and analysis
- Familiarity with WordPress or another CMS
- Good graphics and large-format printing skills
- Work experience with .net applications

**Thank you for your time and consideration.**

Sincerely,

Tatum Harber
