

Commodity Management Cover Letter

85511 Agnes TrackPort Dinofort, RI 22150

Dear Cameron Wisoky,

I am excited to be applying for the position of commodity management. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for monthly feedback on supplier development, alternate regional supply sources, raw material costs, commodity pricing trends and supply/demand situations that could impact the business.

My experience is an excellent fit for the list of requirements in this job:

- Thorough understanding of key cost drivers and fee components in consulting commodities on buy and ideally on supply side
- Experience in mechanical commodities
- Experience in aerospace functional areas
- Business experience of min
- Fluent in spoken and written English, other languages Spanish is an advantage
- Demonstrated troubleshooting abilities, analytical, interpretation and evaluation of financial data
- Demonstrated advanced Excel performance
- Demonstrated cross-functional engagement and influence across a diverse set of experiences

Thank you for considering me to become a member of your team.

Sincerely,

Sawyer Pollich
