

Commodity Management Cover Letter

733 Stacy FortBennettshire, MS 67678

Dear Quinn Hilll,

I would like to submit my application for the commodity management opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for industry knowledge and understanding of market trends (cost, technology, supply chain design, etc.).

Please consider my experience and qualifications for this position:

- Examines market based risk from existing and forecasted exposures to ensure compliance with our risk management policies and executes hedge transactions to reduce risk exposure as needed
- Implements technical solutions necessary to model enterprise risk and suggests strategies to reduce risk using an enterprise risk framework
- Works with Tax and Accounting on the implications of Treasury capital market transactions
- Works with Tax, Accounting and other members of Treasury on business structures to ensure that long-term cash flows are being efficiently managed
- Direct experience working based outside the US, or with the international operations of a multinational company
- Knowledge of capital markets with emphasis on foreign exchange and commodities
- Knowledge of accounting and taxation of derivatives, debt and investments
- Strong understanding of SOX 404 processes and how they relate to finance functions

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Finley Bartoletti
