

# Commodity Management Cover Letter

7593 Hoeger CornersSouth Marcellushaven, OH 09370-7154

**Dear Oakley Schamberger,**

I would like to submit my application for the commodity management opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for best practices and working examples of site assessments, space efficiency and utilization studies and supply and demand studies.

My experience is an excellent fit for the list of requirements in this job:

- Expert component level supply chain analysis skills
- Expert strategic/long-range planning skills
- Leads the design and implementation of procurement processes and foundational procurement systems across the supply chain
- Manages strategic relationships with other business units, functional areas and suppliers to support overall business requirements
- Directs and manages the process for evaluating bids, negotiating contracts and monitoring supplier performance
- Provides technical or product expertise to suppliers and internal customers regarding commodities, products of services
- Using problem solving and analysis to assess the financial and strategic impact of business initiatives
- BA/BS in Supply Chain Management, Business or related field

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Greer Kuhn
