Communications Engineer Cover Letter

88558 Gulgowski PortPort Groverchester, MI 91440

Dear Ari Nienow,

I would like to submit my application for the communications engineer opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for support to users of Infoblox DDI Services including IPAM reservations, domain registrations, DHCP scope configurations, DNS record maintenance, and other related duties.

Please consider my experience and qualifications for this position:

- Demonstrated IP Telephony knowledge or experience
- Consulting engineering experience and specialist, experience in Rail environment
- Knowledge of relevant design and/or engineering software
- Underground/overground railway station and railway tunnel experience
- Hands-on large project experience
- Knowledge of Cisco Telepresence Video Communications Server Control
- Knowledge of Cisco Unified Call Manager
- Knowledge of Acano Platform

I really appreciate you taking the time to review my application for the position of communications engineer.

Sincerely,

Greer Kemmer
