

Compliance Testing Cover Letter

83470 Halvorson PortSouth Eugenioborough, LA 27170

Dear Blake Terry,

I am excited to be applying for the position of compliance testing. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for insight and the ability to apply sound judgment in resolving problems or identifying issues which require escalation.

My experience is an excellent fit for the list of requirements in this job:

- A good team player, able to work across multiple markets and stakeholders with high standards of integrity, professionalism and commitment to deadlines
- Pursuing a BS in Engineering
- Proven expertise with consumer protection regulations and laws
- Experience with managing risks and establishing compliance controls
- General knowledge of complex support systems, department efficiency and productivity
- Excellent verbal and written communications skills to effectively interact with all levels of management, staff and Bank clients
- Proficient consumer and proficient commercial regulatory compliance technical expertise within the financial services industry
- CRCM, or CIA, or CAMS Certification (if not, willingness to pursue)

Thank you for your time and consideration.

Sincerely,

Max Lehner
