

# Computer Security Specialist Cover Letter

6396 Jacobs SummitNew Florentino, IL 52687-1940

**Dear Gray Reichel,**

Please consider me for the computer security specialist opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for information assurance analytical support for the development and implementation of security architectures to meet new and evolving security requirements.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Knowledgeable of Security/IA products such as PKI, VPN, firewalls, and intrusion detection systems
- Requires DoD 8570 IAT Level II certification
- Experience with Navy Shore based communications sites
- Security+ or higher certification strongly preferred
- Knowledge and experience with emerging IT security technologies
- Knowledge and experience with network security protocols
- Knowledge and familiarity with Active Directory security
- Experience working at Fort Polk

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Sawyer Keebler
