

# Computer Support Cover Letter

4722 Gretta MountainLednermouth, OK 68114

**Dear Drew Herzog,**

I would like to submit my application for the computer support opening. Please accept this letter and the attached resume.

Previously, I was responsible for level 1 operational support of MS desktop systems and printers.

My experience is an excellent fit for the list of requirements in this job:

- Have a mechanical thought process to be able to help with fluid hydraulics - putting parts and pieces together
- Problem-Solving and Analytical Skills/ Troubleshooting Skills
- Demonstrated web and software development skills
- Demonstrated knowledge of cloud technologies such as Amazon Web Services (AWS), Microsoft Azure, Google Cloud, and IMB Cloud
- Knowledge of relational databases such as MySQL and SQL Server
- Knowledge of NoSQL databases such as DynamoDB and MongoDB
- Flexibility and willingness to support a variety of systems, including Mac, Windows, and Unix operating systems, and Windows and Linux servers
- Also knowledge of IPL(Initial Program Load) and Maintenance Window activity

**Thank you for taking your time to review my application.**

Sincerely,

Charlie Robel
