Dear Azariah Nietzsche,

I am excited to be applying for the position of construction engineering. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for technical expertise in construction matters, particularly for deep open cut and/or tunneled facilities.

My experience is an excellent fit for the list of requirements in this job:

- A record of outstanding teaching experience at the undergraduate and graduate levels
- A record of excellent scholarship productivity
- Professional licensure/certification as P.E
- Professional construction management experience is desirable
- Excellent communication skills, commitment to excellence in scholarship, spirit of entrepreneurship, and a good understanding of the role of the university in economic development
- Understanding of new media, visual communication, e-learning, and the need to equip students with the varied skills to succeed in their career
- Proficient in PC software including Outlook, Excel, and Word
- Possess an understanding of OSP and Fiber counts and configuration

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Indigo Altenwerth
