

Construction Engineering Cover Letter

8379 Tillman Divide Mayerton, OR 00718-0045

Dear Sutton Rutherford,

I am excited to be applying for the position of construction engineering. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for site monitoring as owner agent of construction activities for the construction of public park facilities, including documentation of activities.

My experience is an excellent fit for the list of requirements in this job:

- Certified by American Concrete Institute (ACI) as a "Concrete Transportation Construction Inspector
- MS Office Suite experience, including Word, Power Point, Outlook, and Excel
- Proficient with Microsoft Office products (SharePoint, Excel, Word, PowerPoint, Project, Visio, and Outlook)
- Familiarity with Planisware or other project portfolio management software is preferred
- Extensive knowledge and experience in the use of project management tools
- Establish and control excellent maintenance of the underground conveyor belts
- Plan and manage conveyor installations mechanical and electrical, maintenance conveyor systems, MV/LV power reticulation, water pumping systems
- Manage the patrolling and sweeping of underground conveyors

Thank you for taking your time to review my application.

Sincerely,

Briar Jacobs
