Dear Lennox Ziemann,

Please consider me for the consultant, salesforce opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for and keep upto date on config/coding best practices and share it with other members of the team.

Please consider my experience and qualifications for this position:

- Create training and user documentation, maintain process documentation as business needs evolve or features are added
- Manage user access, profiles, permission sets, list views and field deprecation
- Troubleshoot Salesforce issues and escalate as needed through Workfront
- Experience with AMPSCRIPT, SOAP, Web Service API, JavaScript, HTML, SQL
- Holds Salesforce.com Administrator Certification
- Has knowledge in Salesforce.com and Force.com platform
- SFDC platform knowledge preferred
- SFDC administration and configuration skills

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Greer Corwin
