

Consultant, Salesforce Cover Letter

368 Tara Mission North Lethashire, KY 64644

Dear River Wintheiser,

I am excited to be applying for the position of consultant, salesforce. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for guidance as it related to Salesforce best practices and ensure long term success of solutions.

My experience is an excellent fit for the list of requirements in this job:

- Jira or similar work item tracking system
- Knowledge of testing frameworks, Jest, Selenium
- Deep understanding of Knowledge Centered Support strategy and Salesforce Lightning Knowledge
- Ensure that all project requests are aligned with our client's goals and strategic plan
- Work with various IT teams to implement and plan cutover activities, determine dependencies, handle issues, understand risks
- Resolve ambiguities in project requirements and gains consensus from project team members and business stakeholders
- Coordinate project efforts and activities to achieve agreed timelines and budgets
- Work closely with technical team and ePMO VP to best align resources with business needs

I really appreciate you taking the time to review my application for the position of consultant, salesforce.

Sincerely,

Robin Zboncak
