Consultant, Strategy Cover Letter

884 Saundra LightJamesmouth, AL 28382
Dear Gray Wintheiser,

In response to your job posting for consultant, strategy, I am including this letter and my resume for your review.

In my previous role, I was responsible for reports for the business to provide best practice information which may include industry trends, methodologies, new tools, and processes.

My experience is an excellent fit for the list of requirements in this job:

- Demonstrated collaboration and effective communication expertise
- Solid knowledge of business operations including
- Solid knowledge and understanding of field sales operations
- Through knowledge of membership, rates, financial, economic and competitive data
- Highly proficient in MS Office, especially Word, Powerpoint, Excel
- Experience working with other software preferred (e.g., AutoCAD, InDesign, Adobe)
- Relevant professional experience in a workplace consulting team, preferably in the UK or Europe
- Visibility in the field, such as industry memberships, publications, academic lecturing or conference speaking experience

I really appreciate you taking the time to review my application for the position of consultant, strategy.

Sincerely,

Dallas Harber
