

Control Room Operator Cover Letter

5436 Feest StravenueAlonsoburgh, TN 73564-2190

Dear Casey Wisoky,

In response to your job posting for control room operator, I am including this letter and my resume for your review.

In my previous role, I was responsible for first response to facility emergency situations and incidents and ensures communication to management and key stakeholders.

Please consider my qualifications and experience:

- High knowledge of Math
- Willingness to study and learn while on and off the job
- Maryland Grade 1 Stationary Engineer License
- Demonstrate personal leadership in process and occupational safety at all times
- Review, understand and utilize the GoM Safe Practices Manual to control and mitigate the hazards associated with work tasks
- Compliance with GoM competency requirements (refer to the GoM Technician Competency Matrix)
- Maintain and track learning and development
- USCG Barge Supervisor endorsement

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Lennox Trantow
