

Control Room Operator Cover Letter

5313 Hermine Street North Amal, GA 97894-4507

Dear Hayden Walter,

I submit this application to express my sincere interest in the control room operator position.

In the previous role, I was responsible for oversight of industrial hygiene, emergency response and contractor management for the OSHA sites, in collaboration with the Regional HSS team.

Please consider my experience and qualifications for this position:

- PSIRA Grade A Registered
- Strong technical and computer aptitude
- Act as senior management on site during off hours (night shifts and weekends)
- Able to identify and correct equipment problems, report abnormal conditions and document properly using logs, records, and work request system
- Able to read and interpret blue prints, technical specifications, computer logic diagrams and operating manuals
- Conduct routine rounds on equipment to ensure proper operation of equipment
- Assist maintenance when necessary to support overall maintenance of plant
- Ensure area is kept safe and environmentally sound, report any problems immediately

Thank you for taking your time to review my application.

Sincerely,

Armani Ernser
