

Coordinator, Research Cover Letter

7242 D'Amore TrailBoehmburgh, TN 99265-6697

Dear Emerson Howe,

Please consider me for the coordinator, research opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for science discipline expertise to assigned experiments including: (1) Definition and management of science requirements; (2) Science support to NASA Increment Scientists at scientific meetings; (3) Console support for assigned experiments and missions as required.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- HSC FCOI Training
- Experience in REDCap
- Experience preparing for research site visits
- Experience with ultrasound imaging
- Experience with managing a mouse colony
- Knowledge of EMR system
- Needs to demonstrate consistent professional conduct and meticulous attention to detail
- Experience in and comfort with implementation of evidence-based interventions

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Brooklyn Hegmann
