

Coordinator, Research Cover Letter

8942 O'Kon MountSchusterside, KS 14429-9337

Dear Armani Schmidt,

In response to your job posting for coordinator, research, I am including this letter and my resume for your review.

In the previous role, I was responsible for input in the timely reporting of adverse events and protocol responses/outcomes to the IRB as well as study sponsors.

Please consider my qualifications and experience:

- Creative thinker that can fashion meaningful stories with the ebb and flow of news/sports viewership
- Minimal - travel depending upon project needs
- Masters or equivalent in a relevant field of the social sciences, such as political science, sociology, economics, public administration or a related field, with an academic emphasis on research
- Substantive experience in research management in a multi-country/international setting
- Strong knowledge and experience of quantitative research methodologies and data analysis (T-tests, Factor Analysis, and Regression)
- Extensive experience cleaning and merging complex datasets
- Excellent knowledge of the statistical software package STATA, MS Office (incl
- Experience in providing training, technical assistance and quality control on applied research projects, preferably in a multi-country/comparative context

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Corey VonRueden
