

Creative Consultant Cover Letter

286 Franecki ForgesPort Carolyne, MO 05801-4016

Dear Ari Schimmel,

I am excited to be applying for the position of creative consultant. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for best practices, stay abreast of design trends, and encourage creativity on the Graphic Design team.

Please consider my qualifications and experience:

- Accommodating rapid change in an ambiguous environment
- People and process focused
- Experience with MVC (Modeled View Controller) or similar libraries
- General understanding of client-side vendor metrics libraries
- Experience with CSS pre-compilers
- Strategic brand and communication strategy and planning services
- Creative concept/idea development/problem solving
- Creative production and execution

I really appreciate you taking the time to review my application for the position of creative consultant.

Sincerely,

Briar Zieme
