Dear Rory Mann,

In response to your job posting for creative media, I am including this letter and my resume for your review.

Previously, I was responsible for the setup, recording and editing of audio communications to ensure professional quality of stand-alone or merged pieces.

My experience is an excellent fit for the list of requirements in this job:

- Creation of in-house L&D brand and brand treatment to create recognisable, value-add learning offering
- Previous experience with social media marketing and engagement (Facebook, Twitter, Instagram, Snapchat)
- High proficiency in Photoshop, Illustrator, In-Design, After Effects and Microsoft Office
- Support evening and weekend work as needed
- Practical experience of office filing
- An experienced Graphic Designer already working within an agency environment
- Graphic design experience across print/digital

I really appreciate you taking the time to review my application for the position of creative media.

Sincerely,

Jordan Armstrong
