

Creative Services Manager Cover Letter

449 Karey Valleys West Raleighhaven, KS 31021

Dear River Daugherty,

In response to your job posting for creative services manager, I am including this letter and my resume for your review.

In the previous role, I was responsible for design expertise and design services in support of the Creative Development process for major attractions, culinary venues, retail shops and sundry projects throughout the SeaWorld Parks & Entertainment (SEA) parks system.

Please consider my qualifications and experience:

- Client management, business development and negotiation skills
- Excellent skills with the Adobe Creative Suite, Google applications, Sketch
- Strong track record of people and team leadership
- Deep sophisticated design knowledge
- A keen eye for creative direction and a thorough understanding of production processes
- Management of creative people and processes
- Excellent project planning skills, work breakdown schedules, resource planning, and project reviews
- Strong understanding of Industrial Design, Craftsmanship, Color Finish and Material and User Experience

Thank you for taking your time to review my application.

Sincerely,

Alexis Ankunding
