

Customer Engineer Cover Letter

51063 Ellena MountPort Lekisha, TX 38565-9718

Dear Avery Jacobson,

I would like to submit my application for the customer engineer opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for technical consulting and project management to the team, related to setup, use, and maintenance of enablement systems and tools.

Please consider my experience and qualifications for this position:

- Troubleshooting, even off hours
- Carry a company cell phone
- Experience in Network Operations and Product Support
- Mobile app development with native expertise in at least one supported platform
- In depth experience of IP multicast functionality
- Familiar with network management tools and techniques
- High level of mechanical/electrical aptitude
- Graduate of TEI / IEK on Electronics, IT and/or Electrical Engineering

Thank you for considering me to become a member of your team.

Sincerely,

Riley Bernhard
