

# Customer Service Consultant Cover Letter

86655 Crist WellEast Salvatore, WV 90967-4692

**Dear Dylan Parker,**

In response to your job posting for customer service consultant, I am including this letter and my resume for your review.

In my previous role, I was responsible for leadership to the office consistent with developed policies and procedures implemented to accomplish corporate.

Please consider my experience and qualifications for this position:

- Supporting the external sales force
- Supplying the customer with requested documentation such as Material Safety Data Sheets
- Commercial acumen and market awareness
- Excellent interpersonal skills, with both written and verbal communications and negotiation
- Outstanding planning, organising and time management skills
- A high level of results orientation and always thrive for excellence
- Working in an international environment (service desk)
- Very good level B1 of German

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Sam Turcotte
