Please consider me for the customer technical support opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for security focused technical support to the company's computer systems, including, but not limited to: software programs, hardware devices, operating systems, mobile devices, printers, and audio/video equipment.

Please consider my qualifications and experience:

- Excellent presentation and training skills Excellent verbal and written communication skills
- Understand linux network knowledge, such as linux network protocol, firewalls
- Technical customer service experience relating to automotive manufacturing preferred
- Prior exposure to international / European business preferred
- Willingness to relocate to U.S. South East or Mid-Atlantic regions if residing elsewhere
- Proficiency in C++ / C# / .NET programming in Windows environment
- Familiarity with Linux highly desirable
- Familiarity with networking and machine vision not necessary, but would be an asset

**Thank you for taking your time to review my application.**

Sincerely,

Blake Wunsch
